3. As a result, the minor Plaintiff was thrown about the interior of the vehicle and suffered severe and irreversible damage to his internal organs and other parts of his body which has resulted in global, as well as specific harm; the minor Plaintiff has also sustained a loss of his ability to earn a living in the future; he and his family have suffered great pain of body and mind, and incurred expenses for medical attention and hospitalization in the past and will continue to incur such expenses in the future.
